## What Events Would You Like To Have In Your Hall?

**A survey to find out what people in Starston would enjoy.**

The Jubilee Hall Management Committee organises a number of events in the hall each year. However, suggestions for those events almost always come from within the committee. We would like to broaden the range of activities on offer so we need your help to identify the kind of things that might interest you.

Over the page there are several suggestions but we won't have thought of everything so please add any ideas or suggestions of your own. Tick all those that might interest you and return this form to:

***Michael Bartlett, The Red Cottage, The Street, Starston  
Tel: 01379 852318.***

We can arrange to collect your form if necessary, just give us a call.

Please return this form by **Friday 10th August 2018**

There is no obligation to enter your name and contact details but those who do will go into a hat and 3 will be picked at random. The first one will get a bottle of fizz, (or a large box of chocolates), numbers 2 and 3 will each receive a bottle of wine (red, white or rosé – your choice). Chocolates also an option here.

EVENT	ORGANISE Yes/No/Maybe

Please add any other general comments you would like to make about the hall and the events held there.

Please bear in mind that, while we will consider all suggestions made, each activity or event needs an **Organiser** to take charge of it in order for it to happen.

Also, some events - such as entertainers or meals - will incur costs that have to be recovered through the ticket price. Other activities might require a small donation from participants. The Jubilee Hall is not run to make a profit but there are always running costs which have to be met to keep the hall financially viable.

All forms returned before Friday 10th August will be entered into the draw for the fizz and wine (or chocs)
